

WEEKLY BULLETIN

★ GOOD NEWS ★

Welcome Back!

It was fantastic to see all our students return to school last week with a positive attitude, ready to start 2023! Everyone has done very well adjusting back to the school routine and has shown great examples of our three core values; being ready, safe and respectful.

Butterfly Conservation

A group of students joined volunteers from the Butterfly Conservation Upper Thames Branch and Chiltern Rangers to prepare a local site for the arrival of Duke butterflies. They made a big difference to the area by turning secondary woodland into various small semi-shaded glades.

Extended Day

Yesterday marked the first of our Extended Day sessions for the Spring Term. The students had lots of fun as they learnt new skills in a trampolining session. Following this, they got to make their own pizzas for dinner. Can't wait to see what they get up to next week!

Paralympic History

Our Local Heroes Block Group took a trip to Stoke Mandeville to find out more about the history of the Paralympics. Whilst they were there they got the opportunity to meet gold medallist Helene Raynsford and hear about her story and courageous athletic career.

WHAT'S ON NEXT WEEK?

Monday 16th January

Visit from Former Professional Football Player, Lloyd Owusu

- We are excited to host Lloyd Owusu as a guest speaker in our Monday assembly.
- The students will also get the chance to have a Q&A session with him.

Tuesday 17th January

Year 7 Parents Evening

- 4.30pm - 6pm in school.
- Please use online booking system to book appointments.
